Glass transport trolley GFW 1200

Glass transport trolley GFW 1200

With glass panes

Castors

Four castors, two of which have a fixing brake, provide a high degree of mobility and easy, safe handling

Compartment divider with plastic protection

Compartment dividers height is adjustable. All supporting surfaces have a non-slip PVC cladding which protects sheets of glass from damage during storage

Easy loading and unloading

Well-organised storage provides quick access

Rear support with rubber strips

Rear supporting surfaces equipped with rubber strips protect sheets of glass from damage

Wooden supporting surface with felt

Lower supporting surface covered with felt. Additional plastic strips on the floor
