## HT**1000 E**

Horizontal assembly tables

Modular work table for a production line (basic module)

- Stable steel construction
- Universal system of work tables for lines with a continuous production flow
- Modular system basic module + additional module
- Add-on elements for individualised expansion
- Additional modules are easy to install
- Versatile work table for all applications: for example, as an individual table in the production flow, as an in-line workstation for assembly work, as a work table for gasket insertion, for the post-processing of special-order production items or as a buffer zone
- Table supporting surface with plastic slide bars
- Adjustable height
- Simple installation with a modular system design

#### **Rubber strips**

Supporting surfaces with rubber-knob profile for aluminium elements

#### **Tool rack**

Tool rack for pneumatic or electrical tools

## 4-fold compressed air connection

4-fold compressed air connection for connecting compressed-air tools

## Roller support, cmpl., for HT 1000/PVC

Hard plastic rollers with polyamide coating, on plain bearings, load per roller: 60 kg, convenient for transport and handling of PVC elements

## Rubber roller support, cmpl., for HT 1000/Alum.

Plastic rollers with polyurethane coating, on ball bearings, load per roller: 40 kg, convenient for transport and handling of aluminium elements

#### **End rack**

End rack for HT 1000
