## HT3000 E

Horizontal assembly tables

Modular work table for a production line (basic module)

- Stable steel construction
- Universal system of work tables for lines with a continuous production flow
- Modular system basic module + additional module
- Add-on elements for individualised expansion
- Additional modules are easy to install
- Versatile work table for all applications: for example, as an individual table in the production flow, as an in-line workstation for assembly work, as a work table for gasket insertion, for the post-processing of special-order production items or as a buffer zone
- Table supporting surface with plastic slide bars
- Adjustable height
- Simple installation with a modular system design
