Profile transport trolley PWS 1800

Compartment divider with plastic protector

Compartment divider height is adjustable. All supporting surfaces have a non-slip PVC cladding which protects surfaces from damage during storage

**Back support with rubber strips** 

Rear supporting surfaces equipped with rubber strips protect profiles from damage

# Lower supporting surfaces with rubber strips

Lower supporting surfaces equipped with rubber strips to protect the profiles from damage

#### **Casters**

Four casters, two of which have a fixing brake, provide a high degree of mobility and easy, safe handling

## Additional compartment divider for PWS 1800

Additional compartment divider with height adjustment and plastic protector
