

PWS1400

PROFILE TRANSPORT TROLLEYS

Profile trolley for vertical storage and transportation of aluminium profiles

- Stable steel construction
- Ideal for transportation and space-saving intermediate storage of cut-to-length profiles
- Vertical profile transportation
- Sufficient for 30 – 40 profile bars
- Compartment divider height is adjustable
- Lower supporting surface with rubber strips
- Compartment dividers with protective tubing
- Rear back support with rubber strips
- Four castors, two of which have a fixing brake

Profile transport trolley PWS 1400

Casters

Four casters, two of which have a fixing brake, provide a high degree of mobility and easy, safe handling

Compartment divider with plastic protector

Compartment divider height is adjustable. All supporting surfaces have a non-slip PVC cladding which protects surfaces from damage during storage

Back support with rubber strips

Rear supporting surfaces equipped with rubber strips protect profiles from damage

Lower supporting surfaces with rubber strips

Lower supporting surfaces equipped with rubber strips to protect the profiles from damage
