

### **PWS1400**

#### Profile transport trolleys

Profile trolley for vertical storage and transportation of aluminium profiles

- Stable steel construction
- Ideal for transportation and space-saving intermediate storage of cut-to-length profiles
- Vertical profile transportation
- Sufficient for 30 - 40 profile bars
- Compartment divider height is adjustable
- Lower supporting surface with rubber strips
- Compartment dividers with protective tubing
- Rear back support with rubber strips
- Four castors, two of which have a fixing brake

### Profile transport trolley PWS 1400

### Compartment divider with plastic protector

Compartment divider height is adjustable.  
All supporting surfaces have a non-slip PVC  
cladding which protects surfaces from  
damage during storage

### Back support with rubber strips

Rear supporting surfaces equipped with  
rubber strips protect profiles from damage

### Lower supporting surfaces with rubber strips

Lower supporting surfaces equipped with  
rubber strips to protect the profiles from  
damage

### Casters

Four casters, two of which have a fixing  
brake, provide a high degree of mobility  
and easy, safe handling
